6:00 PM	Welcome - Introduction
6:10 PM	<u>Film Presentation: "UPRIVER"</u> *Directed by Jeremy Monroe and David Herasimtschuk.* UPRIVER is a 'watershed film' that explores one of the Nation's most active river conservation movements. Within Oregon's Willamette River system, the film focuses on people from all walks of life who are coming together to revive the health of this large river and the life it supports. The film gives The film gives audiences a vivid immersion into the waters of this river system and the life it supports, and celebrates the Oregon way of watershed restoration. UPRIVER is produced Jeremy Monroe with Freshwaters Illustrated with major support from Meyer Memorial Trust, National Fish & Wildlife Foundation, Oregon Watershed Enhancement Board, National Science Foundation, US Forest Service, & US Bureau of Land Management
