Goals:

- ✓ Provide a quick update of watershed activities
- ✓ Share the results of the online survey
- ✓ Get feedback on priorities for the future

# Welcome to 10<sup>th</sup> Annual North Santiam Summit

Robert D Chandler, PhD, PE  
Assistant Public Works Director, Salem

Over the past decade these Summits have provided opportunities to:

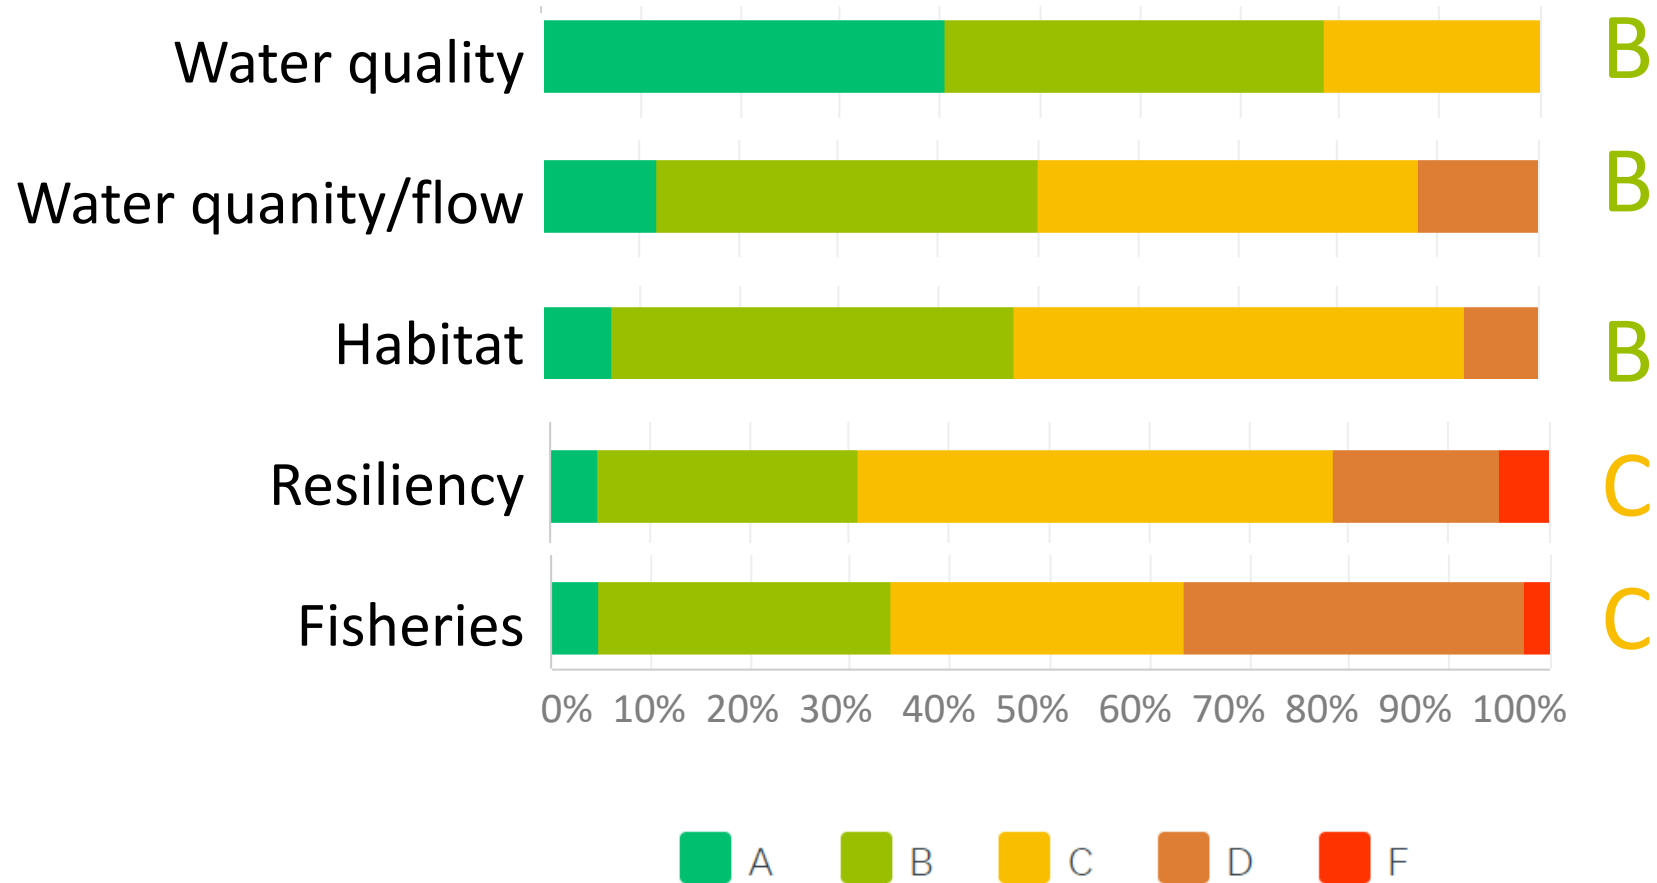

- Foster interagency coordination
- Develop relationships and build trust
- Share information
- Work together on common interests
- Work leveraged for grant funding
- Prepare and review coordinated responses to watershed issues
- Eat delicious food together

# Who's in the room?—Zoom Polling

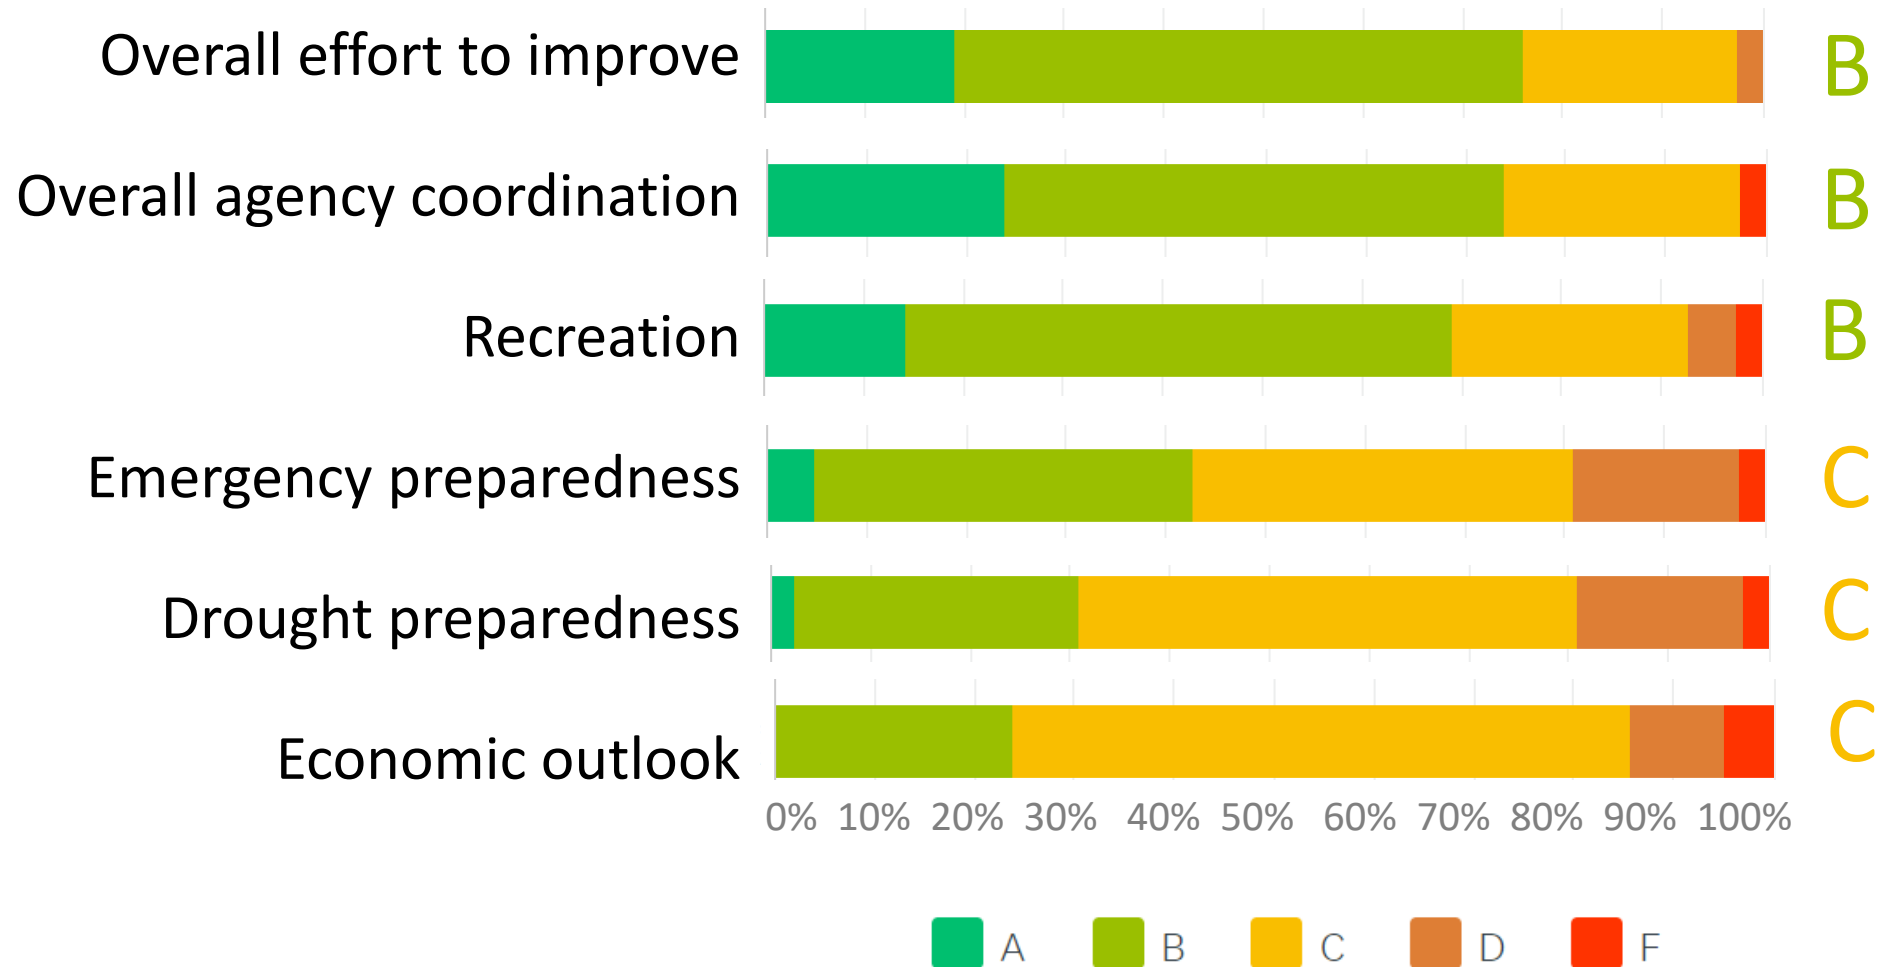

Based on your current level of understanding, how would you grade the state of the watershed today?
