

NORTH SANTIAM FOREST COLLABORATIVE

Thursday - April 2, 2015 Meeting

Forest Collaborative Subcommittee Discussion Topics

- Review collaborative progress to date.
- Review the list of prioritized projects for your resource and identify what are the major challenges associated with the identified projects
- What are the next steps for this group to help move the resource forward?
- Identify a subcommittee team leader.
- Create a subcommittee member contact list (Names, phone and email information)
- Identify how the subcommittee can ensure the identified steps are implemented?
Meeting, follow up by email, call, or other method?
