Save the Date!

Xerces Society Freshwater Mussel Workshop

Date: Tuesday, August 28th

Time: Not yet determined (Will provide more details in July)

Location: Camp Taloali with a site visit to Stout Creek

Workshop Summary: The intention of the mussel workshop is to educate biologists and people conducting stream and river restoration projects about the benefits of these animals, where they are found, how to identify them, and how to protect them from activities that can impact them.
